

Item 15 – The Board of Directors’ proposal for resolution on authorization for the Board of Directors to issue shares, warrants and/or convertible instruments

The Board of Directors in Teqnion AB (“**Teqnion**” or the “**company**”) proposes that the Annual General Meeting on 23 April 2025 resolves to authorize the Board of Directors to, on one or several occasions during the period up until the next Annual General Meeting, resolve on issue of shares, warrants and/or convertible instruments, with or without deviation from the shareholders’ preferential rights. The total number of shares that are issued by support of the authorization, including shares that may be issued after exercise of warrants or conversion of convertible instruments issued by support of the authorization, may correspond to at most ten (10) percent of the total number of shares in the company at the time of the first utilization of the authorization. Payment may, in addition to cash payment, be made in kind or by set-off, or otherwise with conditions.

The purpose of the authorization and the reasons for any deviation from the shareholders’ preferential rights is to increase the company’s financial flexibility and the Board’s room for maneuver, in a time- and cost-effective manner be able to supply the company with new capital and/or new shareholders of strategic importance for the company, and enable the company to, fully or partially, finance any company acquisitions or acquisitions of businesses by issuing shares as payment in connection with agreements on acquisitions, or to raise capital for such acquisitions. Issues made with deviation from the shareholders’ preferential rights shall take place at a subscription price in line with market conditions, including any discount in line with market conditions where applicable. If the Board of Directors deems it appropriate in order to enable the delivery of shares in connection with an issue as described above, the issue may be done at a subscription price equal to the quota value of the share.

The Board of Directors, or the person appointed by the Board of Directors, shall have the right to make the minor adjustments to the above resolution that may prove necessary in connection with registration with the Swedish Companies Registration Office.

Majority requirements

Resolution pursuant to the Board of Directors’ proposal in accordance with item 15 is valid only when supported by shareholders representing no less than two thirds (2/3) of both the votes cast and the shares represented at the Annual General Meeting
